

Press Release

A 40' Wurlitzer Company promotional display trailer will be one of the featured items at the next Victorian Casino Antiques auction on March 12-14, 2010, in Las Vegas, Nv.

The trailer unfolds to display a Wurlitzer model 146 B Band organ and 4 different Wurlitzer jukeboxes. At present, the jukeboxes shown are models 1100, 800, 1050 and 1015. The trailer will be sold with the band organ which was restored by Carl Frei. The jukeboxes will be sold individually.

This display trailer was one of three made by the Heinrich Mack Company (The "Prevost" of Germany) in Wadkirch, Germany in 1990. When open, the display measures 40' long and 18' high. There are over 1500 lights, so the effect is just magnificent.
